Business Continuity and Resilience course

Preparing organizations for next and beyond of COVID-19 pandemic

Online training and coaching on response and roll back planning for COVID-19 pandemic

The coronavirus outbreak is causing unprecedented levels of disruption and uncertainty — a complete picture may not emerge for some time. COVID-19 pandemic has been a game-changing challenge for the businesses. In order to ensure business continuity and resilience during and after this pandemic, organizations need guidance and support of resilience professionals. We are offering a one-day Business Continuity and Resilience course and coaching session for preparing you for next and beyond of COVID-19 pandemic.

Objectives of COVID-19 Business Continuity and Resilience course

This course has been designed to coach resilience professionals with the basics of pandemic preparedness and roll back planning for COVID-19 pandemic. The resilience professionals will be introduced to a tailored methodology that will not only help businesses deal with the outbreak of COVID-19 pandemic, but also response and roll back planning.

Attendees shall be able to:

- Understand the basics of COVID-19 pandemic for their organization and design a checklist for a maturity assessment
- Design their own end to end COVID-19 program
- Define the key aspects of pandemic response and recovery plan for COVID-19 pandemic
- Develop the Return to Work guidelines and plan for their organization
- Increase the readiness and response capacity within their organization
- Plan for roll back planning
- EY Resilience Framework and the preparedness checklist

Toward the second half of the course, a coaching session would be conducted to explore the solutions of your current challenges.

This course is co-developed and facilitated by EY Resilience team and Resilience.etc. EY was identified as a Leader in NelsonHall's NEAT vendor evaluation for Cyber Resiliency Services (Consulting and Strategy Formulation)
